

Kenaitze Indian Tribe Yaghanen Youth Programs

Yaghanen is the prevention and early intervention program of the Tribe. We strive to present our youth with programs and services that encourage them to develop academic achievement, respect for all people and cultures, and life skills in a safe and positive atmosphere. Our programs are free and open to youth of all cultures and run throughout the year.

Study Hall -
We open our facility to students who would like a place to study and finish homework, if help is needed on homework our staff is willing to step in and help each student.

Gguguyuni Native Youth Olympics -
Highlights development of individual physical well-being.

Jabila'ina Dance -
Promotes Dena'ina language and cultural activities in song and dance.

Del Dummi/Chuda Cuya Drum -
Encourages sobriety, respect, and pride through traditional drum songs.

Healthy Choices -
Provides fun and healthy activities to teach local youth to make healthy choices in their lives.

NASP Archery -
Provides fun and healthy activities to teach local youth the skill of archery through the NASP program.

Nach'anik'na -
(Our Children) provides various multi-aged activities from time to time.

Cultural Camps -
Emphasizes cultural preservation, subsistence, traditional practices and healthy life skills.
