Yaghanen is the prevention and early intervention program of the Tribe. We strive to present our youth with programs and services that encourage them to develop academic achievement, respect for all people and cultures, and life skills in a safe and positive atmosphere.

### Study Hall

Our facility is open to students who would like to study and finish homework. We have a certified teacher on staff to assist with this.

### Del Dumi/Chuda Cuya Drum

Encourages sobriety, respect, and pride through traditional drum songs.

### Ggugguyni Native Youth Olympics

Highlights development of individual physical well-being.

### Jabila'ina Dace

Promotes Dena'ina language and cultural activities in song and dance.

### Healthy Choices

Provides fun and healthy activities, to teach youth to make healthy choices in their lives.

### NASP Archery

Provides fun and healthy activities, to teach local youth the skill of archery through the NASP program.

### Nach'anik'na

(Our Children) provides various multi-aged activities from time to time.

### Cultural Camps

Emphasizes cultural preservation, subsistence, traditional practices and healthy life skills.
